

Assignment

Academy LMS Laravel lets instructors create assignments for students to complete and submit. This encourages active learning, helps track progress, and supports personalized feedback for better academic growth.

How the Add a New Assignment

- Log in to the **Admin** panel and access the **Dashboard**.
- Navigate to **Course** from the left menu.
- Next, choose the **Manage Course** from the left menu, and a new window will appear.
- Click on the **Course Title** again to open a new window.
- Select **Assignment**, and a new window will open.
- Finally, click the **New Assignment** button, and an entry form will appear.
- **Fill in the following details:**
 - **Assignment Title:** Enter the desired title in the Assignment title field.
 - **Question:** Provide a brief description in the question field.
 - **Question File (Optional):** Click the **Choose File** button to upload the file.
 - **Total Marks:** Put the total marks in the respective field.
 - **Deadline:** Select the deadline from the dropdown calendar.
 - **Note:** Provide the note in the note field if needed.
 - **Submission Status:** Select the **Radio** button for **Active** or **Draft**.
- Once all the fields are completed, click the **Add New Assignment** button to apply the changes.

eBook

Academy LMS Laravel includes an eBook feature, letting instructors upload digital books for students. Learners can easily access, read, and download course-related eBooks to enhance their knowledge at any time.

How to Search and Export

- Log in to the **Admin** panel and access the **Dashboard**.
- Navigate to the **eBook** from the left menu, and a new window will appear.
- You will find the **Export & Search** button.
- If you click the **Export** button, a new window will pop up with **PDF** and **Print**.
- If you click the **PDF** button, it automatically downloads the selected document.
- If you click the **Print** button, it automatically prints the selected document.
- Type the **Title** in the Search option and click the Search button, which automatically shows the search item.

The screenshot displays the 'Academy Learning Club' Admin Panel. On the left, the 'MAIN MENU' includes 'Tutor Booking', 'Ebook', 'Manage Ebooks', 'Add New Ebook', 'Admin Revenue', 'Instructor Revenue', 'Category', 'Student enrollment', 'Payment Report', 'Users', 'Message', 'Newsletter', and 'Contacts'. The 'Ebook' menu is expanded, and 'Manage Ebooks' is highlighted. In the main content area, the 'Manage Ebook' section features a '+ Add New Ebook' button and a search bar labeled 'Search Title' with a 'Search' button. Below the search bar, a table lists ebooks with columns for 'Category', 'Publication', 'Purchase User', 'Price', 'Status', and 'Options'. The table contains six entries, each with a book cover, title, category, publisher, purchase count, price, status, and options menu. A red box highlights the 'Export' button, which opens a sub-menu with 'PDF' and 'Print' options. Another red box highlights the search bar and button. Red arrows point from the 'Manage Ebooks' menu item to the 'Export' button and from the 'Search Title' input field to the 'Search' button.

Amazon S3 Settings

Academy LMS Laravel integrates Amazon S3 for secure and scalable file storage. Instructors and admins can easily store videos, documents, and media files, ensuring fast delivery and reliable course access.

How to Manage Amazon S3 Settings

- Log in to the **Admin** panel and access the **Dashboard**.
- Navigate to the **System Settings** from the left menu.
- Choose **Amazon S3 Settings** from the left menu, and an entry form will open.
- **Fill in the following details:**

- **Access Key ID:** Enter the desired access key in the Access Key field.
- **Secret Access Key:** Provide the secret access key in the relevant field.
- **Default region:** Type the default region in the respective field.
- **AWS Bucket:** Enter the AWS bucket information in the relevant field.
- Once all the fields are completed, click the **Save** button to apply the changes.

The screenshot displays the 'Amazon s3 settings' page in the Academy Learning Club Admin Panel. The left sidebar shows the 'System Settings' menu with 'Amazon s3 settings' highlighted. The main content area contains four input fields: 'Access key id', 'Secret access key', 'Default region', and 'AWS bucket', each with a placeholder of 'xxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxx'. A green notification box on the right states: 'Heads up! Since Amazon S3 is integrated, all lesson files (videos) will be uploaded and served directly from your S3 bucket.' A blue 'Save' button is located at the bottom of the form. Red arrows point to the 'Amazon s3 settings' menu item and the 'Save' button.
